Each tender must be accompanied by a deposit specified as earnest money. The earnest money has to be paid in cash or Government Security Bonds at this Office or any Power and Lighting Office of this Department and receipt enclosed to the Tender.

No tender will be received without deposit and no adjustment can be made from the pending bills or the deposits of other works towards the tender deposit of this work.

The final acceptance of any tender will rest with the Government.

Within 8 days of the award of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money forfeited. The work should be started within a week from the date of acceptance.

On acceptance of one of the tenders, the earnest money on rejected tenders will be returned either in this office or through the Assistant Engineer or any of the Power and Lighting Office of this Department, on the tenderer submitting refund bill surrendering the original receipt granted.

The contractor has to make his own arrangements at his cost for water required for construction, quarries, supply and transport of materials. This department does not undertake to provide lorries.

Specifications for Civil Engineering works are those recognized by the Public Works Department of Mysore and Marryot's Specifications (P.W.D. Hand Book, Bombay).

Only controlled articles like steel and cement, etc., will be supplied by the Department at the nearest departmental stores at controlled rates *plus* incidental charges at 15 per cent or other percentage as per departmental rules in force at the time of issue of the materials.

The Contractor himself should pay royalties, tolls, sales-tax and any other tax that may be prescribed by Government from time to time and furnish income-tax clearance certificate before execution of the work.

The contractor shall be bound by the conditions of the schedule of contract of the Electrical Department.
